Introduction

Medway Council Sports Development Team has produced this directory of sports clubs and associations in Medway as part of their sports development work. The directory is a valuable resource for clubs, schools, youth groups and the community in providing contact details for clubs in Medway. Local sports clubs have been offered the opportunity to include details in this directory in order to raise their profile and promote their activities.

This directory recognises the diversity of sporting activity in Medway and the opportunities available to all. These opportunities exist thanks to the dedicated group of people who run the variety of clubs that Medway has to offer. The contacts given for these clubs and organisations are mainly volunteers who give up free time for their club and their sport. If you are contacting any of the clubs within this directory can you therefore be considerate regarding the time of day and type of communication.

All information was received from the clubs and has been reproduced with their consent. The contents are correct at the time of going to press.

If you are interested in a sporting activity that is not included in this directory or have any other queries regarding sport in Medway do not hesitate to contact the Sports Development Team on:

A-Z directory of Medway sports clubs

These contact details are based on the most up-to-date information supplied by the clubs. If there are any adjustments or you would like your club to be added please contact the Sports Development Team on sportsdevteam@medway.gov.uk

Please note that the Sports Development Team is not in a position to recommend or support any club above another; this document is purely for information purposes.

There are many voluntary sports clubs that strive towards improving their club development and the symbol below highlights their efforts

Symbol guide:

These clubs have achieved Club Mark, supported by their national governing body and Sport England. Developed by Sport England, Club Mark is a set of standards for national governing bodies of sport to adopt and their affiliated clubs to meet.

The scheme accredits and recognises clubs that are committed to providing a safe, effective and child-friendly environment for children and young people.

Its not just about the playing - many voluntary clubs are on the look out for new members but also need managers, coaches, officials and volunteers. Please contact clubs direct for more information of how you can get involved.

Recommended questions to ask of a club:

- Does the club have a child protection policy and a club welfare officer?
- Does the club undertake enhanced level CRB (Criminal Records Bureau) checks on coaches and helpers?
- Have coaches and volunteers have undertaken training through their recognised National Governing Body of Sport.
- Does the club have an equity and ethnics policy?
- What is the clubs first aid provision?
- Does the club hold adequate insurance?

Club and coach development in Medway

Medway Sports Development Team provides information, training and support to local clubs and coaches

Club development

The Sports Development Team offers general advice, help and support to sports clubs in Medway. The Sports Development Team encourages clubs to work together and with Medway league or district associations and county governing bodies of sport. Some county governing bodies have a sport specific development officer and the Sports Development Team work in partnership with this group of officers.

Coach development

Medway sports coaches have a vital role to play in the coaching service that is offered to the local community. Coaching is central to the development of sport at every level and for sport to move forward there is a need for investment in our coaches. Such as:

- initial education
- training
- continuing professional development
- assessment and qualification of coaches
- coach employment and deployment

The Sports Development Team holds a database of registered sports coaches and assistant sports coaches. If you would like to go on this database then please contact us.

We are keen to improve Medway sports clubs and coaches' professional development. This is supported through access to workshops, forums and grants applications.

For more information on club and coach development please contact us.

Are you a qualified sports coach or assistant sports coach?
Are you interested in sports development?

Then why not register your details with
Medway Council's Sports Development Team
now?

Photo: Courtesy of Heron Media

This register will:

- Help to publicise coach development opportunities
- Provide an invaluable resource for schools and other community organisations wishing to develop local sports provisions

For more information and a registration form,
please contact: Chloe Leech,
Sports Development Team

Tel: 01634 338761

Email: chloe.leech@medway.gov.uk

Photo: Courtesy of Heron Media

All registered coaches will be invited to an emergency first aid course and good practice and child protection training

Free of charge

Sports coaches

For further information about coaching, please contact either the relevant development officer listed below or your council sports development officer on page 16. Please note that many of the Kent Sport Specific contacts work part-time only or on a voluntary basis.
